CUSTOM WHITE LABEL CHARGERS

EV CHARGING

THE WAY YOU WANT IT

We take pride in our charger's aesthetics. Then again, you may look for something that aligns with your company brand and needs. Thanks to our in-house development, design, integration, production (PCBA), testing and validation capabilities, you can tailor our charger to your wishes. It's yours, after all!

360 DEGREES OF CUSTOMIZATION

There are four main product-bases within our white-label portfolio for you to choose & upgrade with your preferred design and features.

CUSTOMIZATION OPTIONS

Our standard color options are Signal White (RAL 9003) and Graphite Black (RAL 9011). Are you looking for a design that matches your brand? You can choose to add your brand logo on any custom color! Not enough? We can change the look & feel of your charger completely and adopt the housing according to your specifications.
